Mrs. Geo. Sheffield

*I placed it in the earth---this bulb of mine---
And from its narrow prison-house of night
It struggled forth to reach the air and light;*

.

*And as it rose and blossomed to the sight,
Its absolute perfection seemed divine!*

SHENANDOAH

We take great pleasure in enclosing herewith our price list of dahlias for the season of 1925-1926, and also take advantage of this opportunity to thank our customers for many letters of praise for the quality of our bulbs and the beautiful flowers they produce.

The reason for these many letters of praise is that our bulbs are grown on upland soil and are fine healthy stock. Furthermore our seventeen years of commercial dahlia growing, justifies us in the claim that we know dahlias, and that you may feel assured that any selection you may make from the enclosed list, will be a dahlia of merit and well worth the price you pay.

We ship our dahlias all over the United States and Canada, by parcel post, prepaid. We guarantee them true to name and good bulbs, the growing is up to you. We will send instructions if desired. Your check, money order or postage stamps received in payment.
